Terry Vernon
OHMVR Grant Lead
120 W. Main St. Suite C
Woodland, CA 95695

Dear Terry,

BRC wants to commend your agency and the County for creating the concept for an urban OHV park on land that is just to the east of Woodland, South of county Road 17 and East of County Road 102 and adjacent to County Road 103.

BRC believes this area will provide important and new OHV recreational opportunity for residents of the west side of the Central Valley. As you know, there are no legal riding opportunities of this kind in the area. Development of new OHV riding areas at the county level is a key element to the land use equation in this state and fits well with OHMVR's strategic plan.

BRC strongly supports this planning grant to the California State OHMVR Division. BRC looks forward to working with you and other stakeholders on this process.

Best regards,

Don
